## OVERVIEW

The Accessible GaGa Ball Pit is a variation of our popular GaGa Ball Pit featuring a door that allows wheelchair users to roll in and join the fun. The Accessible GaGa Ball Pit is constructed of pressure-treated wood planks with powder-coated steel brackets. Instructional signage included for ease of use. Designed and made in Canada. GaGa ball provides year-round recreation for a wide range of ages and abilities. This fun, fast-paced game involves numerous participants at a time making it an ideal choice for schools and community parks.

### Notes:

Wood planks and brackets can be ordered separately. RC-612-WD denotes wood planks. RC-612-BK denotes brackets.
