OVERVIEW

If dogs and cats can get along, we all can! The Harmony Buddy Bench fosters inclusion and kindness on the playground.

- backrest: lasered aluminum, finished with super durable polyester powder
- bench & frame: powder-coated galvanized steel
- tamper-resistant hardware
- virtually maintenance-free
- available in the colours of your choice

The Buddy Bench is a popular item on school playgrounds. The idea is simple. When a child feels lonely, they can sit on the Buddy Bench. This signals to other kids that they are feeling isolated. Ideally, another child will notice them, sit beside them, talk to them and invite them to play.
