

Illini Gable Roof Shelter

SPECIFICATIONS

Model Number

Illini Gable Roof Shelter

Notes:

Supplied by Americana Shelters. Tables and grills not included.

OVERVIEW

The Illini Gable Roof Shelter provides protection from the elements in any outdoor environment. The stylish design can easily be incorporated into any project. Available in a wide variety of colour combinations to suit your site.

Pre-fabricated, powder-coated steel frame has four sides and is available in your choice of tapered C-channel or tubular steel. Extruded aluminum gutters and channels are sent on standard units. Structural, interlocking roof panels offer superior strength and fewer supports.
