

# Illini Gable Roof Shelter

## SPECIFICATIONS

**Model Number**

Illini Gable Roof Shelter

**Notes:**

Supplied by Americana Shelters. Tables and grills not included.

## OVERVIEW

The Illini Gable Roof Shelter provides protection from the elements in any outdoor environment. The stylish design can easily be incorporated into any project. Available in a wide variety of colour combinations to suit your site.

Pre-fabricated, powder-coated steel frame has four sides and is available in your choice of tapered C-channel or tubular steel. Extruded aluminum gutters and channels are sent on standard units. Structural, interlocking roof panels offer superior strength and fewer supports.
