OVERVIEW

The Backless Buddy Bench is designed to foster kindness and inclusion on the playground.

- available in the colours of your choice
- crafted of durable, powder-coated steel
- virtually maintenance-free
- designed and made in Canada

The Buddy Bench is a popular item on school playgrounds. The idea is simple. When a child feels lonely, they can sit on the Buddy Bench. This signals to other kids that they are feeling isolated. Ideally, another child will notice them, sit beside them, talk to them and invite them to play.
