

# Navajo Park Shelter

## SPECIFICATIONS

<b>Model Number</b>	Navajo
<b>Design Options</b>	Various styles and sizes available.

**Notes:**

Supplied by Americana Shelters. Tables not included.

## OVERVIEW

The Navajo Park Shelter provides shade and shelter for a picnic area or outdoor classroom.

Pre-fabricated, powder-coated steel frame has four sides and is available in your choice of tapered C-channel or tubular steel. Extruded aluminum gutters and channels are sent on standard units. Structural, interlocking roof panels offer superior strength and fewer supports.
