

Eagle Climb

OVERVIEW

Positioned perpendicular to the platform to encourage a lateral, side-entry approach, the Eagle Climb playground climber features built-in hand and footholds for vertical climbing and scaling. A large eagle image routed into the design adds a visually striking, thematic element.

SPECIFICATIONS

Age Range	5-12yr
Design Options	connectable in multiples for added height and play value
Heights Available	74" max; requires multiples for decks higher than 46"
Type of Play	physical
Motor Skills	agility; coordination; lower body strength; motor planning
Materials	3/4" thick compression-molded UV-stabilized HDPE; powder-coated steel; stainless steel hardware
Colour Options	available in various colour schemes
