

# Moose Climb

## OVERVIEW

The Moose Climb playground climber is positioned perpendicular to the platform, encouraging a lateral, side-entry approach as children ascend using the integrated hand and footholds. A routed image of a moose adds a fun, nature-themed accent. Pairs perfectly with our nature-inspired Rootz Series.

## SPECIFICATIONS

<b>Age Range</b>	5-12yr
<b>Design Options</b>	available with crawl-through hole; connectable in multiples for added height and play value
<b>Heights Available</b>	74" max
