

Octopus Climb

OVERVIEW

The Octopus Climb playground climber features built-in hand and footholds for vertical climbing and scaling and is positioned perpendicular to the platform for a lateral, side-entry approach. A large, playful octopus and various sea creatures routed into the design add a fun, nautical-themed element.

SPECIFICATIONS

Age Range	5-12yr
Design Options	available with various themes/images; connectable in multiples for added height and play value
Heights Available	74" max; requires multiples for decks higher than 46"
Type of Play	physical
Motor Skills	agility; coordination; lower body strength; motor planning
