

# Rope Stack

## SPECIFICATIONS

<b>Age Range</b>	5-12yr
<b>Heights Available</b>	74"
<b>Type of Play</b>	physical
<b>Features</b>	climbing and clambering
<b>Motor Skills</b>	agility; coordination; lower body strength; motor planning
<b>Materials</b>	netform steel-enforced rope; powder-coated steel; stainless steel hardware
<b>Colour Options</b>	available in various colour schemes

## OVERVIEW

The Rope Stack climber is a dynamic, columnar playground climber that takes kids from ground level to an elevated platform. Rope rungs suspended from a steel frame form a vertical tunnel, inviting children to scramble up the inside or along the outside. The slightly wobbly rungs add a fun wiggle factor, while the open-ended design encourages creativity and social interaction.
