# Inclusive by Design

Inclusive playgrounds are about making playtime awesome for every kid, no matter what. Through thoughtful design, these spaces break down barriers, providing universally accessible features and adaptive equipment as well as promoting connection and community. The goal is to create a space where every child can feel at home, have fun and share in the joy of play.

Challenging climbing and upper body activities engage bolder users.

Varied hanging elements deliver developmental benefits.

Universally accessible spinner delivers dynamic motion for multiple users.

Benches & tables offer a spot for caregivers and children to relax.

Adaptive equipment facilitates motion play for diverse ages and abilities.

Calm zones feature activities designed to help kids self-regulate.

Wheelchair-accessible tables create a welcoming space for all.

Inclusive swing options ensure fun for all.

Ramped structure features wheelchair playable elements.

All abilities & ages can enjoy ground-level, sensory play.

Diverse ground-level activities foster interactive play.

Deliver full-body, calming tactile/sensory experiences for all abilities.

Steel slides are cochlear-implant friendly. Wide, gently sloped design enables children and/or adults to slide together.

Communication boards help all users to express themselves.

# Key Elements for Inclusive Play

## Accessible Routes

Seamless pathways, surfacing and ramping ensure ease of motion and access to play equipment for all users.

## Ground-Level Activities

Providing ground-level activities, without the need to climb stairs or ramps, delivers play for all developmental and ability levels.

## Barrier-Free Motion

Barrier-free dynamic equipment enables all children and their caregivers to share in the joy and freedom of movement.

## Calm Zones

Designated spaces for calmer play give children a place to relax, reduce sensory overload and manage their emotions.

## Sensory-Rich

Elements that engage the senses help to foster curiosity and can contribute to the needs of neuro-diverse children.

## Challenge & Risk

Playground challenges are vital for growth, creating a sense of adventure while building confidence and resilience.

## Swinging & Swaying

The sensation of swinging and swaying is not only exhilarating for all ages and stages, but delivers developmental benefits from sensory and vestibular stimulation to motor skills and spatial awareness.

**U-SWAY CN-1002**

**HYBRID SWING U100L108**  
Available with various seat types to accommodate a wide range of abilities and ages.

## Meet the All-Around! Spinning Fun for All Abilities!

With seamless access for all users and their mobility aids, the All-Around delivers a truly universal spinning experience. Ample space and seating ensures that multiple users can enjoy the sensation of spinning together. The first of its kind to be designed and made in Canada.

**ALL-AROUND** CN-250  
A fully inclusive multi-user  
spinning experience.

**WE-SPIN CN-1014**  
 Wider, gently rounded surface makes it easy to get in and out and lets users sit or lie back while spinning. Designed for easy wheelchair transfer.

**COMMUNICATION BOARD PS-200**  
 Make playgrounds more inclusive for children who are non-verbal or have difficulty communicating.

**ON-A-ROLL ROLLER TABLE CN-1019**

The On-A-Roll delivers a fun, sensory experience for all abilities. Rollers activate tactile receptors, creating sensory stimulation. Overhead rungs enable users to propel themselves along. Steel construction is cochlear-implant friendly.

## Make Spinning & Rocking E-Z for All!

The E-Z Seat enables users with limited body control to spin and rock with ease. Features supportive, gently reclined seat with rubber belting. Designed for easy wheelchair transfer.

Available with optional harness: SP-544H

E-Z SPIN  
CN-1018

E-Z BOUNCE  
CN-1017

**WE ROCK E-Z** CN-1016-2EZ  
Delivers rocking fun for all abilities.  
Also available with four E-Z seats  
or two bench seats.

# Canmore Lions

From the wheelchair-accessible merry-go-round and diverse ground-level play to the exciting tower structure, this inclusive playscape supplies rewarding play experiences for all abilities, ages and stages.

C24-01

2-12 yrs

37.1 m x 17.8 m (122' x 59')

ANNEX H

Everyone can enjoy the thrill of spinning with our barrier-free merry-go-round.

# Macaulay

All ages and stages will enjoy this inclusive play space. Features a wide range of physical challenges plus sensory-rich play and ground-level activities.

C24-02

2-12 yrs

22.7m x 13.9m (75' x 46')

ANNEX H 

Upper body circuit supplies the beneficial brachiation movement that all kids enjoy.

# Lake Hill

This multifaceted playground features an accessible ground-level play zone plus a myriad of elevated activities.

C23-01

5-12 yrs

17.4m x 22.9m (57' x 75')

# Fairmont Park

This inclusive park features a ramped structure with wheelchair-accessible play, an agility circuit for climbing challenges and a calm zone for quieter activities.

C24-03

2-12 yrs

20.9m x 18.1m (69' x 60')

ANNEX H

This multifaceted park includes a vibrant mix of wheelchair-accessible, ground-level and elevated activities for all ages, stages and abilities.

## Intrepid

Ramping enables barrier-free access to the fun for users with mobility aids.

## Elevate

# Swing Seats

## INCLUSIVE SWING SEAT

Adaptive, full-body swing with armrests and footrest for comfort and security.

SP-533

SP-533JH *Optional fabric harness.*

## HOW TO ORDER YOUR SWING

1. Choose the swing frame you prefer (see page 78).
2. Choose types of seats & bearing hangers using the table below.
3. Mix & match different seat types to accommodate all ages/abilities.
4. Specify code and quantity for each seat/bearing hanger package.

Seat Type	With Regular Bearing Hanger	With Wrap-Free Bearing Hanger
Slash-Proof Belt	SRR	SRW
Soft-Edge	SSR	SSW
Slash-Proof Tot	STR	STW
Inclusive	SAR	SAW

## SLASH-PROOF TOT SEAT

Slash-proof bonded rubber with steel fasteners.

SP-531

## SLASH-PROOF BELT SEAT

Slash-proof bonded rubber with stainless steel grommets.

SP-526

## SOFT-EDGE SEAT

Aluminum shell covered with resilient rubber.

SP-525

# Safety Surfacing

All playground equipment must be installed over resilient surfacing to help protect children from injury due to falls. In order to be effective, the surfacing must cover the complete protective zone for each playground structure. Depth required will depend on the type of surfacing used and the fall height of the equipment. Contact your Blue Imp representative to discuss options and requirements.

## Safety surfacing types include:

- Poured-In-Place Rubber (PIP)
- Rubber Tile
- Artificial Turf
- Engineered Wood Fibre (EWF)
- Loose Fill (pea gravel & sand)

# Border Timbers

Crafted of durable polyethylene, Blue Imp Border Timbers are easy to install, cost-effective, weather-resistant and maintenance-free.

## BORDER TIMBER

BP-10

## BORDER TIMBER ADAPTOR

BP-09

- 1800mm (72") x 300mm (12") x 150mm (6")
- Includes two 20mm (3/4") x 760mm (30") galvanized stakes

# Industry Standards

Blue Imp is proactive in ensuring that our products meet or exceed industry guidelines and safety standards.

## ISO 9001:2015 CERTIFIED

Blue Imp is proud to be ISO 9001:2015 certified. ISO 9001 is an internationally recognized quality management system standard which is used to audit Blue Imp's process for continual improvement.

## IPEMA MEMBER

Blue Imp is a member in good standing of IPEMA, the International Play Equipment Manufacturers Association, a member-driven international trade organization which represents and promotes an open market for manufacturers of play equipment.

## IPEMA CERTIFICATION

The International Play Equipment Manufacturers Association (IPEMA) provides a third-party certification to ensure product conformance to specific ASTM and/or CSA standards. Each product promoted here, if certified by IPEMA, includes the name and model number for you to search the IPEMA website for verification. To verify product certification, visit [www.ipema.org](http://www.ipema.org) and conduct a search.

## CANADIAN STANDARDS ASSOCIATION (CSA)

Blue Imp products meet or exceed the standards set by the Canadian Standard Association. CSA is an independent organization whose mission is to develop standards that enhance public safety. For more information, refer to [www.csa.ca](http://www.csa.ca).

# Blue Imp Warranty

Having manufactured playground equipment for four generations, our mission remains to design and craft high-quality products that will stand the test of time.

## LIFETIME WARRANTY

On all stainless steel hardware and steel support posts against structural failure due to corrosion or deterioration.

## 20-YEAR WARRANTY

On all stainless steel components against structural failure due to defective materials or workmanship.

## 15-YEAR WARRANTY

On all steel and aluminum components against structural failure due to defective materials or workmanship.

## 10-YEAR WARRANTY

On plastic slides and on vinyl-coated components against structural failure due to defective materials or workmanship.

## 5-YEAR WARRANTY

On plastic panels and composite recycled plastic/wood against defective materials other than normal wear and tear. On bearings against defective materials and workmanship. On GFRC (glass-fibre reinforced concrete) products against structural failure due to defective materials or workmanship (does not include hairline cracks, chips or colour variations). On cable/net components, cable joints and cable terminations against breakage (does not include fraying or cosmetic defects).

## 2-YEAR WARRANTY

On all acrylic, polycarbonate and rubber products; on Gaga Ball brackets and wood planks against structural failure due to defective materials or workmanship.

## 1-YEAR WARRANTY

On all other Blue Imp products not listed above.

*Warranty is valid provided that the equipment is installed in accordance with manufacturer's specifications and all applicable standards and is used as intended. Warranty does not cover vandalism, misuse or normal wear and tear. When playground equipment is installed on sand surfacing, warranty terms stated above are reduced by 50% (except for the Lifetime Warranty category). Warranty claims are assessed based on the current warranty.*

# Polyester Powder Colours

Count on long-lasting vibrance with our super durable polyester powder coatings, formulated for maximum UV stability, fade resistance and gloss retention.

# HDPE Panel Colours

Panels are constructed of UV-stabilized high-density polyethylene sheet for long-lasting colour.

*\*Indicates that the opposite colour scheme is also available.*

# Vinyl Coating Colours

Our heavy-duty vinyl coating comes in five fade-resistant colours.

*Colours shown may not accurately reflect actual colours.*

# Colour is fun!

Choose from our diverse colour palettes to inspire creativity and create an inviting, visually stimulating environment for play.
