

Your source for  
Canadian-made  
site amenities.

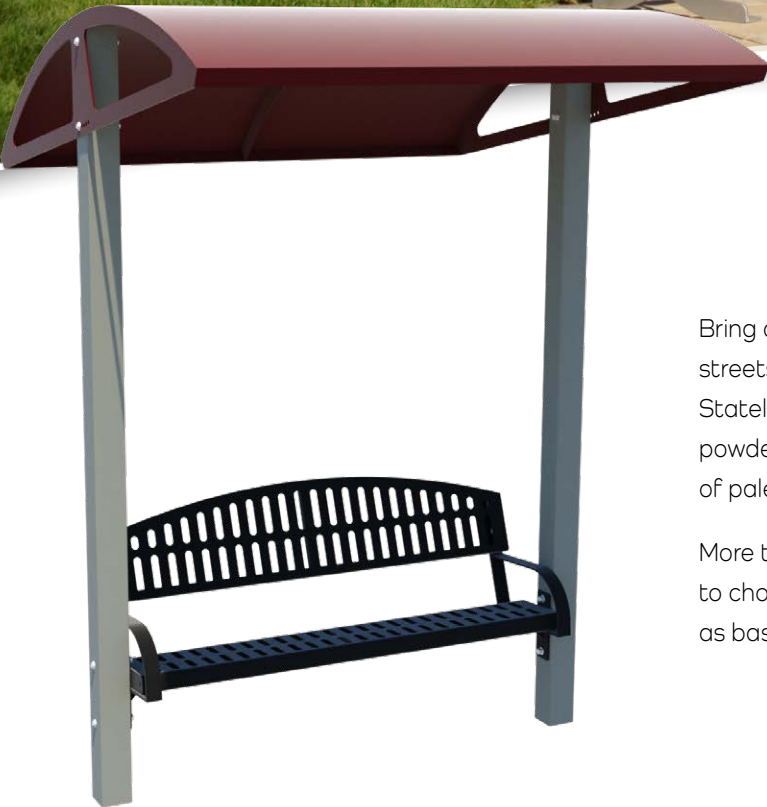

At Blue Imp, we have been styling steel for four generations. Family-owned since 1917, we have mastered the art of crafting site amenities for form, function and long-lasting performance. Proudly made in Canada.

Bring durable style to any streetscape or park setting with our Stately Series. Crafted of polyester powder-coated steel in your choice of palette.

More than 25 super-durable colours to choose from! All models available as base-plated or in-ground.
